Reminders from the Medical aide

Dear parents or guardian,

There has been an outbreak of head lice here at the school. Please do not be alarmed, as this is a common occurrence in schools.

Please take these precautions:

1. Check your child's hair for eggs (also called nits)
2. If you suspect your child has head lice, ask your health care provider to diagnose the problem.
3. If head lice is diagnosed, DO NOT send your child to school until ALL nits are removed. Lice Shampoo alone will not solve the problem. REMEMBER WE HAVE A NO NIT POLICY. As long as your child continues to have nits(eggs) they will be sent home until their hair is nit free.

Remember that you must keep checking your child's hair for new nits every day for at least 3 weeks if diagnosed and periodically thereafter.

Reminders from the lunch clerk

Nutritious meals are available daily for a price of \$1.50 for breakfast, \$3.00 for lunch, and \$0.50 for a la carte milk. Each student is provided a lunch account onto which money may be deposited. Households are also encouraged to log in to their child's account (using the parent password), go to the "Lunch" tab, and click on ONLINE LUNCH APPLICATION to apply for free or reduced price meals. Should a student's meal account balance fall below \$0, he/she will be allowed to charge up to -\$20.00. Once the negative meal account balance limit is reached, the student will receive an alternate meal, starting this Monday April 2nd, 2018. Alternate meals consist of cereal, fruit, and milk for breakfast; and for lunch, a sandwich, vegetable, and milk. If a student is later approved for free meals, they will begin receiving meals immediately. However, the household is still responsible for paying the negative account balance. For more information regarding the meal charge policy, please visit our website at: <hsielpaso.harmonytx.org>, and click on the "Meal Charges" link.
