### STAAR Testing

(No after school activities for any grade level) May 14<sup>th</sup>- 18<sup>th</sup>  
Several things you can do to help ensure a successful testing experience is that your student arrives on time, fully rested and prepared to test. It is also important to make sure your child eats a good dinner the night before and a good breakfast the morning of testing. Similarly, encouraging your student to do his or her personal best can greatly improve self-confidence levels leading to better performance.

### **Gifted & Talented**

Dear Family,

If your child took the Spring 2018 GT CogAt test, please come by to pick results in the 2nd-12th grade front office.

### **Reminders from the lunch clerk**

Nutritious meals are available daily for a price of \$1.50 for breakfast, \$3.00 for lunch, and \$0.50 for a la carte milk. Each student is provided a lunch account onto which money may be deposited. Households are also encouraged to log in to their child's account (using the parent password), go to the "Lunch" tab, and click on ONLINE LUNCH APPLICATION to apply for free or reduced price meals. Should a student's meal account balance fall below \$0, he/she will be allowed to charge up to -\$20.00. Once the negative meal account balance limit is reached, the student will receive an alternate meal, starting this Monday April 2nd, 2018. Alternate meals consist of cereal, fruit, and milk for breakfast; and for lunch, a sandwich, vegetable, and milk. If a student is later approved for free meals, they will begin receiving meals immediately. However, the household is still responsible for paying the negative account balance. For more information regarding the meal charge policy, please visit our website at: [hsielpaso.harmonytx.org](http://hsielpaso.harmonytx.org), and click on the "Meal Charges" link.

Alternate meals consist of cereal, fruit, and milk for breakfast; and for lunch, a sandwich, vegetable, and milk.
