Parents please be advised that our school building opens at 7:10 am. For the safety of our students, please do not drop students off at school prior to 7:10 am.

Parents!

We are pleased to announce that the Skyward Mobile App for parents is now available to download from the Apple or Google App Store for smartphome and tablet devices.

Our parents now have access to their child's student information while on the move. Mobile versions of Family access and student access will keep our parents fully informed, with immediate access to alert information, schedules grades and more.

Congratulations!

STAAR Testing

(No after school activities for any grade level) May 14th- 18th
Several things you can do to help ensure a successful testing experience is that your student arrives on time, fully rested and prepared to test. It is also important to make sure your child eats a good dinner the night before and a good breakfast the morning of testing. Similarly, encouraging your student to do his or her personal best can greatly improve self-confidence levels leading to better performance.
