

Dear Students/Parents,

This week, we are completing the first phase of our distance learning program, the learning packets. Remember to complete your learning packets and return once classes resume. The next phase begins on Monday, April 6th, 2020. Students and teachers will go online for a comprehensive digital learning experience that includes elements of independent learning, video-based lessons, and a variety of online software, including Google Classroom.

ACCESS to TECHNOLOGY

Students will sign in to my.harmonytx portal to reach integrated software and google classrooms on chromebooks or other devices. **Students without computers or access to the internet at home should contact their school.** For further details on accessing technology, you may visit <https://www.parent.harmonytx.org/athomelearning> and [Free Internet access for 60 days.](#))

GOOGLE CLASSROOM

HPS will utilize Google G-Suite platform to provide learning plans for students. Students will log in to their My Harmony accounts to join the google classrooms by using the codes provided by their teachers. Teachers will use the platform to communicate, provide feedback, and assess the learning progress of their students. Harmony students have already been using blended learning software in their classrooms; software will be integrated into learning plans.

Throughout the next phases, our teachers will be available via email and other digital platforms to provide structure, guidance, and feedback. Once, our teachers set up their google classroom, they will contact you to start the online learning experience. Information regarding grading and high school credits will be shared later.

Below, you will find the comprehensive plan and a sample daily schedule you can follow.

STUDENTS with SPECIAL NEEDS

Another email for distance learning with Special Needs was shared.

DISTANCE LEARNING COMPREHENSIVE PLAN

Elementary Schools				
Content Area	Learning Platform	Integrated Online Resources	Blended Learning Goals	Useful Information
Pre-K	Google Classroom	Headsprouts under RazKids	N/A	Students will work on integrated topics. They can use their Headsprouts accounts under RazKids.
Mathematics (K-2)	Google Classroom	HMH Think Central, Dreambox or ST Math	20 minutes per day	Assignments will be posted in Google Classroom, but students will need to login to their Harmony Portal to access their Go Math Lessons and videos. Learning packets that correlate to the online lessons will also be available for students without the internet.
Mathematics (3-5)	Google Classroom	ALEKS, Go Math	2 ALEKS topics per day	
ELAR (K-2)	Google Classroom	HMH Ed Online, RazKids, I-Read	Daily 45 min (30 min Raz Kids; 15 min I-Read)	Activities will be posted in Google Classroom, but students need to login to their Harmony Portal to access HMH passages, iRead, and Raz-Kids; HMH Passages are also provided in PDF.
ELA (3-5)	Google Classroom	RazKids,HMH Ed Online, No Red Ink	Read 30 mins a day Write 10 mins a day	Independent reading and writing will be daily. Students will login and have assignments in HMH, Raz-Kids, NoRedInk (gr 4-5),
Science	Google Classroom	STEMScopes	15 minutes per day	Students may need to first login to Stemsscopes for a Stemsscopes link to work.

Social Studies	Google Classroom	Social Studies Weekly Online	K-2 (1 topic per week)	Activities will be posted in Google Classroom, but students need to login to their Harmony Portal to access Studies Weekly online.
Tech. Applications	Google Classroom	Learning.com	CodeMonkey for EIR campuses	Each teacher will assign the assignments and instructional materials through Learning.com for each class
ESL	Google Classroom	N/A	N/A	ESL will have sample Google classrooms in grade spans as K-2 and 3-5 prepared according to their language levels as beginner, intermediate and advanced. This will provide them with opportunities to practice their language skills.
Art, Music, PE, Electives	Google Classroom	Various	N/A	Activities will be recommended. No assignment or assessment will be given.

Middle Schools				
Content Area	Learning Platform	Integrated Online Resources	Software Goals	Useful Information
Mathematics	Google Classroom	my.hrw.com , ALEKS	Practice assignments on my.hrw.com If available, ALEKS Formative Assessment or	Students are expected to follow the procedures provided in the self-learning plans through Google Classroom. Students are assigned weekly assessments either through ALEKS or Google Classroom.

			15 ALEKS topics per week	
ELAR	Google Classroom	MyOn, NoRedInk	15-30 m. weekly (NoRedInk)	Daily Reading (20 m.) + Weekly Reading Response ----- Daily Writing (x4 / week)
Science	Google Classroom	STEMScopes	30 min. daily	Students may need to first login to Stemsscopes for a Stemsscopes link to work.
Social Studies	Google Classroom	Exploros (8th only)	1 Experience per week (8th only)	2 tasks per week: <ul style="list-style-type: none"> • 1 reading based (<i>content</i>) • 1 writing based (<i>skills</i>)
Tech. Applications	Google Classroom	Learning.com		Each teacher will assign the assignments and instructional materials through Learning.com for each class
ESL	Google Classroom	N/A	N/A	ESL will have sample Google classrooms in grades 6-12 prepared according to their language levels as beginner, intermediate and advanced. This will provide them with opportunities to practice their language skills.
Art, Music, PE, Electives	Google Classroom	Various	N/A	Activities will be recommended. No assignment or assessment will be given.

High Schools

Content Area	Learning Platform	Integrated Online Resources	Software Goals	Useful Information
Mathematics	<ul style="list-style-type: none"> Google Classroom 	<ul style="list-style-type: none"> Alg 1: Pearson Realize, ALEKS, Geo, Alg2: Pearson Realize 	Practice assignments on Pearson Realize AND If available, ALEKS Formative Assessment or 15 ALEKS topics per week	Students are expected to follow the procedures provided in the self-learning plans through Google Classroom. Students are assigned weekly assessments either through ALEKS or Google Classroom.
Mathematics	<ul style="list-style-type: none"> Pearson MyMathLab 	Pre-Cal, Alg Reasoning, AP Cal, AP Stats: Pearson, MyMathLab		Students are expected to complete the practice and assessment tasks assigned by the teachers on Pearson MyMathLab
ELAR	Google Classroom	MyOn, NoRedInk,	15-30 m. weekly (NoRedInk)	Daily Reading (20 m.) + Weekly Reading Response -----

				Daily Writing (x4 / week)
Biology/PreAP-Biology	Google Classroom	STEMScopes, POGIL, CK-12 Amoeba Sisters Channel, Bozeman Science Videos	N/A	Use STEMscopepedia as an online textbook option.
Chemistry	Google Classroom	cK12, PhET, POGIL, Parlay	N/A	Assignments will be posted in Google Classroom, but students will need to login to their Harmony Portal to access their cK12 and Parlay accounts. Learning packets that correlate to the online lessons will also be available for students without the internet at their individual campuses / teachers.
Physics	Google Classroom	www.physicsclassroom.com , CK-12, PhET		OpenStax(Online Textbook)
Social Studies	Google Classroom	N/A	N/A	2 tasks per week: <ul style="list-style-type: none"> • 1 reading based (<i>content</i>) • 1 writing based (<i>skills</i>)
ESL	Google Classroom	N/A	N/A	High school ESOL courses will have SCL materials
Dual Credit Courses	Google Classroom	Content provided by local community colleges		

AP Courses	Google Classroom	College Board Online System	Local campuses will communicate more information.
Electives/CTE/ Counseling Services	Google Classroom	Local campuses will communicate more information.	

SAMPLE DAILY SCHEDULE

Activity	Estimated Time	Platform
ELA	40-45 min	Google Classroom
Math	40-45 min.	Google Classroom
Science/SS	40-45 min.	Google Classroom
Lunch/Break		
Independent Reading/Writing Practice	30-40 min	MyON, RazKids, No Red Ink, or hard-copy books
Math Lab	30-40 min	Dreambox, ALEKS, Math XL
Specials/Electives	30-40 min	Google Classroom
Everyday Routines		
<ul style="list-style-type: none"> <u>DO THE FIVE</u> 		

<ul style="list-style-type: none"> • Wash Your Hands 		
Physical Activity	30 min.	
Bedtime Reading	15-20 min.
