

Good day, Harmony Family,

Harmony School of Innovation is excited to reopen our doors, although in a Stage 2 limited capacity, to our Kindergarten through 3rd grade students this Monday, September 14th. The Stage 2 phases are only available for those who previously opted for in-person learning through the Skyward survey, by the deadline of Friday, August 28th. If you previously opted for in-person learning, you have or will soon receive a phone call confirming you still wish for your child to attend. For parents that did not opt for in-person learning by the deadline, those students are not eligible to attend Stage 2 Harmony Learning Centers and you will not receive a phone call. **It is strongly encouraged that parents familiarize themselves with the previous school reach message that explains the Stage 2 Learning Center environment that opted in students will participate in.

In order for the Stage 2 reopening phases to be safe and successful, the following guidelines for drop off/pick up times as well as traffic flow must be adhered to. This plan is specifically for Kinder – 3rd grades that are welcomed back this Monday, September 14th.

A mandatory traffic flow pattern must be followed to facilitate taking student temperatures before they get out of a vehicle. There is no need for anyone to get out of the vehicle except the student, and that will be after their temperature has been taken.

**This traffic flow pattern and time schedule is mandatory.

** Do not let your child out of the vehicle until their temperature has been taken.

Drop off scheduled times:

7:30 – 7:45 Kindergarten and 2nd Grade (K & 2)

7:45 – 8:00 1st Grade and 3rd Grade (1 & 3)

Pick up scheduled times:

3:00 – 3:15 Kindergarten and 2nd Grade (K & 2)

3:15 – 3:30 1st Grade and 3rd Grade (1 & 3)

Please be sure to have your student ready for school by having:

1. A **fully charged** Chromebook
2. Notebook and writing utensils
3. A book to read or something to color (occupy time when needed)

As a reminder, the Stage 2 phases are available for only those who previously opted for in-person learning through the Skyward survey, by the deadline of Friday, August 28th. For 4th grade and above students, if you previously opted for in-person learning, you will receive a phone call in the near future for final confirmation that you wish for your child to return.

Phase 1- September 14: K-3 Grade Levels

Phase 2- September 21: K-5 Grade Levels

Phase 3- September 28: All Grade Levels

Thank you,
