SSO Program

SSO is a free meals program for all children ages 18 and under. Students 21 and under who are currently enrolled in a school and are identified as mentally or physically disabled are also eligible. Meal distribution is open to our students, their siblings, and the community.

Parents wishing to pick up a meal box without children present will need to present one of the following to verify guardianship:

- Individual student report cards
- Attendance record from parent portal of a school website
- Birth certificate
- Official letter/email from facility or school listing children enrolled
- Other official ID cards (for example, IDs issued by a child care facility)

While our goal is to be able to provide meals to all families for each of their children, please note that meal boxes are on a first come, first serve basis.

Distribution Schedule

- Monday Mornings

- Friday Afternoons
